

## 1. Tortosa outdoor tour (1,5h) + Cathedral (1,5 h)

We will start the tour with the sight of the sixteenth century Tortosa painted by Anton Van den Wyndaerde and the giant scale model of the Cathedral. Next, from Plaza Paioret we will go through the streets of the old town, prioritizing the most important places in the city, those who have had a history featured at different times and we will explain how history let them a passing mark.

We will visit: river façade, Oliver Boteller Palace, General Council house, rue of la Rosa (main palaces), Plaza of Cinta, Olivera gate, Royal Colleges and Castle of la Suda, to finish at the principal façade of the Cathedral.

Meeting place: Plaça Paioret ( CONFICON Turisme i Tradicions)
